It should be noted that the mature landscaping combined with the expansive open areas make the property seem much larger. Among the lush tropical landscaping are 5 large mango trees that are actively producing. Privacy and seclusion is enhanced because homes in the Punta Barco Resort are separated by the open spaces provided by the natural landscaping, instead of fencing or concrete walls. The beautiful private beach is a short 5 minute walk (two minute ride) along a shady, winding road that passes the tennis court and helicopter pad. The spectacular Beach Club is located on a knoll directly above the beautiful sand beach. The contoured infinity swimming pool has waterfalls and offers sweeping views of the Pacific Ocean while relaxing at the swim-up bar. An excellent restaurant is open from 8:00 am to 5:00 pm and serves a delicious breakfast and lunch. Punta Barco Resort is home to many of Panama's most distinguished business and political leaders and is one of Panama's most prestigious developments. All of the Punta Barco Estates enjoy unequalled privacy, security, and exclusivity, and it is just a 10 minute drive to Coronado where you will find 24 hour supermarkets, a wide variety of restaurants, banks, hardware stores, a private school, veterinarian, dental, and medical clinics among other conveniences.
